RECEIVED  
FEDERAL ELECTION  
COMMISSION  
OFFICE OF GENERAL  
COUNSEL  
2004 DEC 15 1 A 10:06

Dear Mr. Jordon,

This letter is in response to your letter to the Committee to Re-Elect Trent Franks to Congress (C00367110) dated November 17, 2004. The reference number is MUR 5609.

We hereby declare that at no time did the Committee to Re-Elect Trent Franks to Congress, Lisa Teschler or Trent Franks in any way coordinate legislative campaigns with Club for Growth or any other 527 committee during the 2002-2004 election cycle.

Chris Baker of Blue Point Consulting providing campaign consulting services to the Committee to Elect Trent Franks to Congress in the 2000 – 2002 election cycle as well as to the Committee to Re-Elect Trent Franks to Congress in the 2002 – 2004 election cycle.

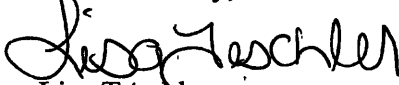

Blue Point Consulting was paid for those campaign consulting services by the respective committees exactly as reported on our FEC reports which are a matter of open record filed with your offices. At no time was Chris Baker or Blue Point Consulting paid by Trent Franks or his Congressional campaign committees for any services related to any legislative campaigns of any kind.

The complaint filed with your offices by the Clean Elections Institute of Arizona claiming campaign coordination between Trent Franks or his Congressional campaign committees and any 527 committee or legislative campaign is baseless, without merit, insulting, and completely false.

The Committee to Re-Elect Trent Franks to Congress is now exploring legal action against The Clean Elections Institute for their outrageous and false charge.

In the interim, we are happy to answer any questions or provide any available data in our possession to the Federal Elections Commission to verify the substance of this statement related to MUR 5609.

Most sincerely,

  
Lisa Teschler  
Campaign Treasurer

  
Congressman Trent Franks  
Congressional Candidate
